

Optimize PBCS / NSPB for FY2022 Planning

WHEN: Thursday June 17, 2021

TIME: 11:00am – 12:00pm PDT

COST: FREE

AUDIENCE: CFO/Controller, Finance, FP&A, IT, PBCS / NSPB
experience strongly preferred

This PBCS / NSPB workshop will demonstrate how to:

- Ensure current dimension structure supports your planning and reporting process and requirements
- Fine tune webforms and SmartView worksheets
- Develop or update business rules that are effective and easy to maintain
- Create presentation-ready reports and KPIs

We look forward to seeing you at the workshop!
